

The health and safety of our guests and our staff are our priority.  
We are honoring and exceeding all mandated guidelines.

- Optional Valet & Self-Parking are available.
- All of our staff wear masks.
- Guests are encouraged to wear masks upon entering and when walking through the restaurant. We will gladly offer our guests a mask if they do not have one.
- Sanitizing stations are placed throughout the restaurant for staff and guests.
- Tables are social distanced apart.
- The bar area and all common areas are socially distanced.
- Guest are given sanitizing wipes when their server first greets them once they are seated.
- We use Single-Use Menus or QR codes.
- Silverware is rolled up in a napkin.
- Additional Silverware is brought in paper sleeves.
- All contact surfaces are sanitized throughout service and each use, including salt shakers, condiment bottles, pens, tables, chairs, railings and doors.
- Our staff's temperatures are checked daily before working.
- Our staff is mandatory tested for COVID-19 regularly.
- Every night the facility is professionally treated for the elimination of the Covid-19 virus. The treatment uses the same disinfectant as the CDC recommends.
- Online ordering for curbside pickup and delivery options via Uber Eats, DoorDash & Postmates.
