

Boca Raton

We are honoring and exceeding all safety guidelines.

~ Here is what we are doing to keep our staff and our guests safe ~

- Masks are worn by all our staff.
- Government Mandate: Guests must wear masks upon entering and when walking through the restaurant. Can be removed when eating or drinking. We thank you in advance for your cooperation.
- Daily staff temperature checks for all our staff prior to entering the building.
- Our staff gets tested for COVID-19 every two weeks and must have a negative result to come back to work.
- Staff members who feel sick are not allowed come to work.
- Staff and guests are always asked to maintain social distancing.
- We use single-use menus or QR codes.
- Silverware has been rolled in and any additional silverware needed for additional courses is brought in paper sleeves.
- Deep cleaning takes place during and after hours.
- Optional valet or self-park is available.
- Guests are given sanitizing wipes once they are seated at the table.
- Sanitizing stations are placed throughout the restaurant for staff and guests.
