

The health and safety of our guests and our staff are our priority.
We are honoring and exceeding all mandated guidelines.

- All of our staff wear masks.
- Guests are encouraged to wear masks upon entering and when walking through the restaurant. We will gladly offer our guests a mask if they do not have one.
- Sanitizing stations are placed throughout the restaurant for staff and guests.
- Guest have hand sanitizer available at the table.
- Silverware is rolled up in a napkin.
- Additional Silverware is brought in paper sleeves.
- All contact surfaces are sanitized throughout service and each use, including salt shakers, condiment bottles, pens, tables, chairs, railings and doors.
- Our staff's temperatures are checked daily before working.
- Our staff is mandatory tested for COVID-19 regularly.
- Every night the facility is professionally treated for the elimination of the Covid-19 virus. The treatment uses the same disinfectant as the CDC recommends.
- Online ordering for curbside pickup and delivery via Uber Eats, DoorDash & Postmates & GrubHub.
